Sunbeam Vets Annual Health Care Plan

We are delighted to offer our cat and dog clients an annual health plan exclusively designed for our practice. In line with our commitment to provide a comprehensive and quality veterinary service for those animals under our care, we feel that this also offers excellent value for money.

In addition to looking after your pet's routine needs you will benefit from a wide range of discounts within the surgery.

The plan will be available to all and you can enroll your pet at any time.

WHAT DOES THE HEALTH PLAN COVER?

- ✓ **Vaccination**
Vaccination against the most common serious disease
- ✓ **External Parasite (i.e. Fleas, Mites and Ticks) Control**
Complete control for one year.
- ✓ **Internal Parasite (i.e. Lungworm & Tapeworm) Control**
Worm control for one year providing cover against all common types of worms either by tablet, spot-on treatment or a combination of both.
- ✓ **Health Checks**
Two annual nose-to-tail health checks at six monthly intervals

PLUS AS AN ADDED BONUS FOR GREATER SAVINGS!

- 10% Discount off **additional vaccinations**, e.g. Kennel Cough & Rabies
- 10% Discount off **neutering**
- 10% Discount off other **consultations** and **procedures** including **medications**.
- 10% Discount off **foods**.
- 25% off **Microchipping**.

HOW MUCH COULD YOU SAVE?

For a dog weighing 19kg complete flea, tick and worm control, annual vaccinations and two health checks would normally cost €212.

The cost under our **Pet Health Plan** would be just **€140** - a **saving of €72!**

For further information on how to avail of this offer ring the surgery or call in and have a chat with us.
